Hands-On Construction Industry Showcase

Tuesday October 8th, 2024 9 AM - 2 PM

Siouxland Expo Center
550 Expo Center Drive
Sioux City, IA 51101

WHO SHOULD ATTEND A BUILD MY FUTURE EVENT?

1. Build My Future is open to all students in grades 9 through 12.
2. Female students are strongly encouraged to attend Build My Future. There are a lot of opportunities now and in the future for females in the construction industry.
3. If a student has attended in the past, they are welcome to attend again, but we do not want them to be bored or a distraction to other students. Many of the activities at the event will be the same year to year.
4. Remember that the construction industry needs all sorts of employees – we are always looking for tradespeople, but we are also looking for office staff, management, marketing personnel, accountants, project superintendents, etc. The list is endless – we are an entire industry!
5. Consider sending students that excel in math, science and business. Students engaged in the FBLA and/or FFA programs are encouraged to attend.

FOOD / ALLERGIES & ACCOMMODATIONS

1. Lunch will be served. Individuals with other allergies and/or food needs will need to bring their lunch.
2. Bottled water & water fountains will be available throughout the day for attendees.
3. Please notify students that food delivery companies will not be allowed access to the event facility. We have had challenges in the past with food delivery services.

We are very excited that you have chosen to bring your students to experience Build My Future!

Please help us keep your students safe and prepare them for a successful experience.

Any questions? Please contact our office at office@siouxlandhba.com or 712-255-3852.
